

## 4.5m width Garden Polytunnel (2021 Price List)

The hoops in this model are heavy gauge high tensile steel as standard and have a new coating that is 20 times more corrosion resistant than galvanised steel. 8 brace bars are supplied.

**Budget:** Timber hinged door (front gable), timber gable & PVC flap (rear gable), 900 gauge poly

**Standard:** Steel hinged door (front gable), timber gable & PVC flap (rear gable), 900 gauge poly (flat ends)

**Premium:** Alu sliding door (front gable), steel hinged door (rear gable), 900 gauge poly (flat ends)

Other door and vent options are available – details on request.

This is the price of the Tunnel in kit form for self-assembly. Delivery is included within 150km of Birr.

| Side purlins                            | €138                                     | €173 | €214 | €249 | €291 | €326 | €367 | €402 |
| Crop support bars on every hoop         | €50                                      | €75  | €99  | €124 | €149 | €174 | €198 | €223 |
| Lengthwise crop bars (each)             | €39                                      | €52  | €75  | €88  | €110 | €123 | €146 | €159 |
| Anti hot spot tape on all bars          | €37                                      | €47  | €52  | €57  | €62  | €67  | €77  | €82  |
| Ground cover fabric                     | €44                                      | €55  | €66  | €77  | €88  | €99  | €110 | €121 |
| Zig zag cladding rails                  | €326                                     | €382 | €438 | €500 | €551 | €607 | €669 | €725 |
| Anchor plates (if using cladding rails) | €123                                     | €154 | €184 | €215 | €246 | €276 | €307 | €338 |
| Flat feet (sides only)                  | €315                                     | €367 | €418 | €469 | €520 | €571 | €622 | €674 |
| Roll up side vent (per side)            | €394                                     | €448 | €518 | €580 | €637 | €704 | €764 | €831 |
| Rainwater gutter (fits to roll up side) | €82                                      | €94  | €103 | €110 | €122 | €130 | €142 | €150 |
| Overhead irrigation kit                 | €137                                     | €150 | €163 | €188 | €211 | €224 | €250 | €263 |
| Fadrip ground drip irrigation kit       | €143                                     | €178 | €185 | €192 | €192 | €237 | €237 | €244 |
| Replacement cover buried & pleated      | €261                                     | €303 | €345 | €388 | €430 | €472 | €514 | €556 |

- Flat Ends – separate covers for the gables, avoids unsightly pleats and folds
- Heavy Duty Hoops – useful if you are in a very exposed area, eg. offshore Island
- Side Purlins – extra reinforcing bars, only required in extremely exposed locations
- Crop Support Bars – for tying your plants up to or suspending hanging baskets
- Anti Hot Spot Tape – prevents chaffing of polythene on the frame in exposed locations
- Ground Cover Fabric – suppresses weeds
- Aluminium Cladding Rails – for securing your polythene as an alternative to burying it
- Anchor Plates or Readymix Bags or Fenox Augers – necessary if using the cladding rails
- Flat Feet – instead of foundation tubes, for fixing the polytunnel down to a concrete floor

### Even more accessories

We have lots more accessories such as shelving, timber raised bed frames, automatic timers for irrigation, heating and propagation equipment and much more in our accessories catalogue. Please ask for a copy.
